To: The Individuals and/or Organizations Desiring to Use the Buildings and Facilities of St. Luke's Episcopal Church

Welcome,

Before scheduling your event with St. Luke's, you will be asked to sign the St. Luke's Episcopal Church Building and Facilities Use Agreement and you will be asked to pay some fees. We apologize, but the agreement is quite lengthy with a long list of rules and regulations by which you must abide. In this day and age, we have to attempt to be as thorough as possible.

However, if you keep just two common sense rules in mind, there should be no problems. First, remember that the buildings and facilities you will be using are considered sacred to the people of St. Luke's. You must treat the space and the sacred objects therein with the utmost reverence.

Second, think of your use of the St. Luke's buildings as similar to you inviting someone to use your home for a day. How would you want those people to treat your house, your home? How would you feel if they rearranged your furniture, broke things, and left food crumbs and debris on your carpet? You would want what we want. We want you to leave our building in the same clean and orderly condition in which you found it before your event began.

The fees are to both cover the cost of the use of our buildings and to provide some financial support to the institution. Most people severely underestimate the cost of running and maintaining a church. We believe the fees are reasonable and we hope you will as well.

Peace and Blessings,

Fr. Charles Robinson, Rector

User shall return all such fobs to Parish upon the expiration or earlier termination of this Agreement. Parish shall return the deposit to User upon return of fob(s). Wedding parties will not be issued a fob as the wedding facilitator will have access to the buildings.
24. To: The Bride and Groom,

We are delighted you have chosen to begin your married life with a Christian wedding where you, your family, and friends can join to ask God's blessing on your intended union. In order to avoid misunderstanding and make this special event in your life a truly joyous one, we thought it would be good for you to know the following procedures that normally apply at weddings conducted at our church and chapel. Within these broad parameters, the parish is concerned that your wedding reflect your individual desires and tastes.

You should strive to inform the minister performing your ceremony of your desire to be married at least six months before the intended date of the wedding. Pre-marital counseling has been shown again and again as being helpful in getting a marriage off on the right foot and is highly recommended.

Please note, one of the two persons being married must be a baptized Christian. If the minister performing your wedding is an Episcopal priest and if one or both of you have been married previously, it will be necessary to send an original certified divorce decree granting the divorce(s) to the Bishop of Utah at least 30 days in advance of your wedding date. The bishop will want the Episcopal priest's recommendation regarding the authorization for your wedding ceremony to take place. General guidelines that the priest will use in recommending to the bishop that remarriage be allowed include:

- ✓ Has at least a year passed since the previous marriage ended in separation and/or divorce?
- ✓ Has adequate provision been made for the physical care and for a continuing relationship with the offspring of the previous marriage?
- ✓ Has an attempt been made to seek counseling before the previous marriage's dissolution?

Peace and Blessings,

Fr. Charles Robinson, Rector
St. Luke's Episcopal Church
